# Report names Islamic State's "Jihadi John"
**The Islamic State militant known as Jihadi John is reported to have been unmasked as Londoner Mohammed Emwazi, aged 27**

■ **Mohammed Emwazi:** Kuwaiti-born British man believed to be from Queen's Park in West London

■ **2009:** Graduates in computer sciences from University of Westminster

■ **May 2009:** Emwazi believed to have been radicalised after being deported during visit to Tanzania. Questioned by MI5 – UK's domestic security agency – over suspicions he plans to travel to Somalia to join *al-Shabab* militants

■ **Late 2009:** Moves to Kuwait to work for computer company

■ **Jun 2010:** Detained again by British security services

■ **2012:** Travels to Syria, later joining so-called *Islamic State*

■ **2013:** Emwazi is identified as part of team guarding Western captives at prison in Idlib, Syria. Nicknamed *Jihadi John* by some of his hostages

## Victims seen in videos featuring Jihadi John

**1** **Aug 19, 2014:** American photojournalist *James Foley*, aged 40, beheaded by IS after U.S. declines to pay $132 million ransom

**2** **Sep 2:** U.S.-Israeli journalist *Steven J. Sotloff*, 31, beheaded

**3** **Sep 13:** British aid worker *David Haines*, 44, beheaded

**4** **Oct 3:** British aid worker and ambulance driver *Alan Henning*, 47, beheaded

**5** **Nov 16:** Former U.S. Army Ranger and aid worker *Peter Kassig*, 26, beheaded. Detailed examination of video suggests Kassig may have resisted his captors

**6** **Jan 20, 2015:** Japanese hostage *Haruna Yukawa*, 42, beheaded. IS demands Jordan release female militant

**7** **Jan 30:** Japanese journalist *Kenji Goto*, 47, beheaded
