

Spain continues Champions League dominance

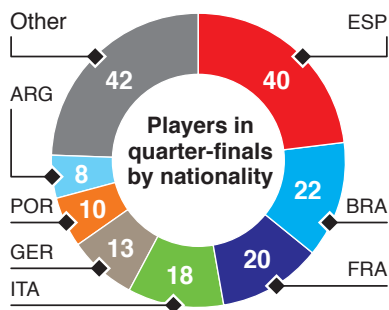

Three Spanish teams feature in the quarter-finals, with two from France and one each from Italy, Germany and Portugal. England's Premier League has no representation in the Last 8 for the second time in three years

APPEARANCES IN CHAMPIONS LEAGUE QUARTER-FINALS Since 1994/95

Substitutes: Croatia, Cyprus, Norway, Poland, Sweden (1)

ON THE FIELD: Spanish players also dominate, with almost twice as many participants as any other country

HOME PRIDE: Proportionally, Barcelona have used most national players* – just three Portuguese have played for Porto
