

Shia militias move against IS-held Ramadi

Iran-backed Shia militias have reportedly been ordered to recapture the Iraqi city of Ramadi after fighters from the so-called Islamic State group completed their takeover of the Anbar provincial capital

-  Areas of Islamic State (IS) control as of April 2015
-  Areas free of significant action against IS and which permit effective logistics and administrative support of IS forces
-  Towns / cities under full or partial IS control
-  Areas under Kurdish administration
