

Wimbledon 2015: Men's preview

1 Novak Djokovic (SRB) Age: 28

Denied elusive career Grand Slam by **Wawrinka** in Paris. Painful loss could inspire him to third trophy on Centre Court and surpass **Lendl, Connors** and **Agassi** with ninth major

3 Andy Murray (GBR) 28

Record-equalling fourth title at Queen's served up perfect preparation to emulate Queen's-Wimbledon double of 2013. Has achieved quarter-finals or better in last 17 Slams

2 Roger Federer (SUI) 33

Grass court master picked up eighth Halle title, but sole victory in last 21 Grand Slams, at Wimbledon in 2012, indicates five-set endurance may be barrier to further major success

4 Stan Wawrinka (SUI) 30

Secured second major title at Roland Garros with surprise victory over **Djokovic**. Struggles on grass, with series of early exits at SW19 – and lost in second round at Queen's this year
