EU mass migration by the numbers

More than 5.7 million people have moved to the UK since 2005 – equivalent to 66% of the population of London, Europe's largest city. Only Germany received more migrants over a decade-long period

Estimates of illegal immigrants in EU[†] (2008)

	SPAIN	ITALY	GERMANY	FRANCE	GREECE				
						Rest of EU			
/	280,000	279,000	/196,000 `	178,000	172,000	378,000			
	to	to	to	to	to	to			
I	354,000	461,000	457,000	400,000	209,000	1,056,000			
	24 million migrants to ELL over past decade \$ (2004.12)								

	34 million migrants to EU over past decade [‡] (2004-13)
