

U.S. Open 2015: Women's preview

1 Rank

1 **Serena Williams (USA)** Age: 33

This time last year she had 17 major titles, but has won the last four and will complete the elusive calendar Grand Slam, and tie **Steffi Graf's** tally of 22, with victory here

3 **Maria Sharapova (RUS)** Age: 28

Champion here in 2006, on arguably her least favourite surface. Will hope to avoid nemesis **Serena Williams**, whom she has not beaten since 2004, in bid to win second title

2 **Simona Halep (ROM)** Age: 35

Reached back-to-back finals in Toronto and Cincinnati, losing to **Belinda Bencic** and **Serena Williams** respectively, but has yet to advance past fourth round at U.S. Open

4 **Caroline Wozniacki (DEN)** Age: 25

Resurgence over last two years has taken her back to top four for first time since 2012. Reached final at Flushing Meadows last year, losing to good friend **Serena Williams**
