

China's hypersonic "Carrier Killer"

China has unveiled its so-called carrier-killer – the Dongfeng-21D ASBM (anti-ship ballistic missile) – in a display of military might to mark the 70th anniversary of the end of the Second World War

Dongfeng-21D: Range estimated at up to 1,500-2,000km.

It may be able to travel at 10 times speed of sound – 3.4km per second – faster than anything that could intercept it
