

Thousands of migrants surge into Croatia

Migrants seeking new routes to Western Europe are pouring into Croatia after Hungary sealed its border with Serbia

-  Schengen countries
-  Fence
-  EU but non-Schengen
-  Under construction
-  Border controls
-  Planned

1 Hungary: Entire border with Serbia closed. Entering without correct papers is criminal act

Planning to build new fence along border with Romania and on sections of border with Croatia

2 Bulgaria: Extending barbed wire fence begun in 2014 along border with Turkey

3 Greece: Fence built in 2012 on stretch of dry land – Evros River runs along most of Greek-Turkish border
