

# Trump well ahead in latest Republican poll

Billionaire businessman Donald Trump has broken past the 40 percent mark in a new poll surveying Republican voters, just a week after his proposal to temporarily ban all Muslims from entering the United States

Who would you support for the Republican nomination for president?

\*Poll based on sample of 385 registered voters who identify themselves as Republicans or lean toward Republican Party. Margin of error of  $\pm 5.0$  percent. Picture: Getty Images
