

London Olympics women's 50m and 100m freestyle gold medallist **Ranomi Kromowidjojo (NED)**

ARENA POWERSKIN CARBON-ULTRA

Interior: Panels target specific compression zones to support and streamline body

Tape links key muscles and isolates upper and lower body movement, helping to improve swimming efficiency and body position

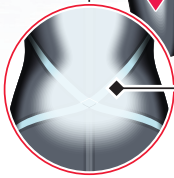

Outer fabric: Carbon fibre grid gives extra compression without restricting movement

SPEEDO FASTSKIN LZR RACER X

Laser cut panels
Increased water sensitivity designed to promote optimum swim position

Stretch fabric
Allows freedom of movement vertically, while providing horizontal compression

"X" seams: Follow major muscle groups to provide support for swimmer's body

Arena and Speedo medals

Shanghai 2011

Barcelona 2013

Kazan 2015
