

# Russia signs TurkStream pipeline deal

Russia and Turkey have signed an intergovernmental agreement to implement the TurkStream pipeline project, which will bring Russian natural gas to Europe via the Black Sea, bypassing Ukraine

## SOUTHERN GAS CORRIDOR

Pipelines proposed / under construction	Length (km)	Capacity (bcm*)	Completion date
 <b>South Caucasus expansion (SCPx)</b>	690	23	2017
 <b>Trans-Anatolian (TANAP)</b>	1,850	16	2018
 <b>TurkStream</b>	1,100	32	2019
 <b>Tesla (Turkish Stream extension)</b>	1,400	27	2019
 <b>Trans-Adriatic (TAP)</b>	870	10	2020
