

How Eastern Europe views NATO

While U.S. President Donald Trump has referred to NATO as “obsolete”, residents in many member countries in Eastern Europe view the alliance as providing protection for their countries, according to a recent poll

NATO associated with... ■ Protection of country ■ Threat to country

NATO members in bold. Approximately 1,000 people, aged 15 and older, surveyed in each country during 2016 (2,000 people surveyed in Russia). Margin of error varies by country
