

Brazil's meat scandal prompts import bans

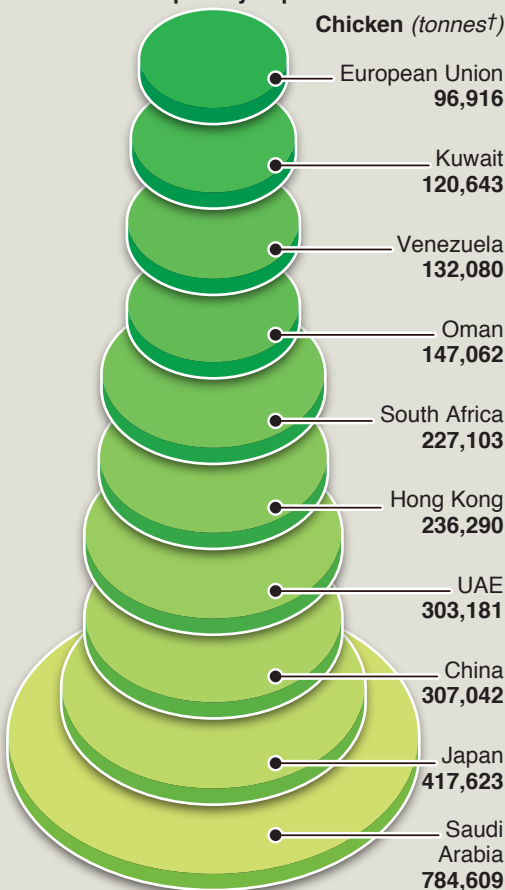

Fallout from Brazil's tainted-meat scandal – in which inspectors are accused of taking bribes to allow exports of spoiled beef and poultry – has widened with import bans by Hong Kong, China and the EU*

Top 10 destinations for Brazil's beef and poultry exports

Beef (tonnes†)

Chicken (tonnes†)

*European Union ban on meat coming from four specific Brazilian plants

†Beef data for 2016, chicken data for 2015
