

Qatar penalties carry risks for both sides

The Arab quartet which cut diplomatic and trade links with Qatar on June 5 will find it difficult to significantly increase penalties against the world's largest gas exporter without hurting their own economies

Quartet: Saudi Arabia, United Arab Emirates, Bahrain and Egypt have threatened additional punitive measures against Qatar

Qatar's exports: \$79.87 billion (2015)

Japan \$15.62bn

South Korea \$15.50bn

India \$9.96bn

China \$5.14bn

Quartet \$5.49bn

Qatar's imports: \$34.69 billion (2015)

China \$3.51bn

France \$3.23bn

UK \$3.08bn

U.S. \$2.96bn

Quartet \$4.95bn

QATAR

Population 2.6 million

Qatari 12%
313,000

Migrants 88%
2.3 million

GDP \$152.5 billion

Highest GDP per capita in world \$58,650
