

■ Nov 8, 2016: Donald Trump wins one of most unpredictable U.S. elections ever seen

JANUARY 20

■ Jan 20, 2017 – Day 1: President Trump signs his first executive order, towards dismantling of **Affordable Care Act** or **ObamaCare**

■ Day 4: Trump signs executive order to scrap President Obama's flagship **Trans-Pacific Partnership** with 11 countries

■ Day 8 – Travel ban: Executive order imposing 90-day ban on people from seven Muslim-majority countries is blocked in court. Modified orders in March and October are also blocked by courts

240
Executive orders, memoranda and proclamations signed (as of November 1)

■ Day 28: Trump repeals Obama environmental rule to protect waterways from coal mining waste

■ Day 49 – FBI chief sacked: Trump abruptly fires FBI director **James Comey** (above) who is leading investigation into possible collusion with Russia by Trump campaign during election

Move backfires – Justice Department appoints powerful, independent counsel, **Robert Mueller** (above), to head probe

One year on from Donald Trump's election victory

■ Day 65 – **Obamacare**: President's signature health-care bill to replace Affordable Care Act fails to win enough support in Congress

■ Day 68: Executive order scraps Obama-era **Clean Power Plan** which limits carbon emissions from power plants

■ Day 77: Launches 59 Tomahawk cruise missiles against Syrian airfield while hosting Chinese President **Xi Jinping** (right) at Trump's private **Mar-a-Lago** club

■ Day 79: U.S. Senate confirms **Neil Gorsuch** (right) to Supreme Court – Trump's most significant victory to date

■ Day 96: Federal court blocks executive order to cut federal funding from so-called **sanctuary cities** that oppose president's aggressive deportation agenda

60
Number of bills President Trump has signed (as of November 6)

■ Day 133 – **Climate change**: Trump announces he is pulling U.S. out of 195-nation **Paris climate change accord**. Trump says accord is bad for U.S. economy

■ Day 135: Trump is criticised for tweet about London Mayor **Sadiq Khan** in wake of **London Bridge** terror attack which kills 11 people

■ Day 179 – **Obamacare**: Senate Republicans defect from Trump's repeal and replace Obamacare bill, leaving plan effectively dead

■ Day 183: President appoints brash, fast-talking Wall Street financier **Anthony Scaramucci** (above) as his media chief. Scaramucci is fired after just 10 days, following an explosive-filled rant about fellow White House officials

58
Visits to Mar-a-Lago and Trump's Bedminster Golf Club
\$22.8m
Cost to U.S. taxpayer of flights to Mar-a-Lago and Bedminster

■ Day 243 – “**Rocket Man**”: In his maiden speech to UN General Assembly, Trump boasts of America's military strength and belittles **Kim Yong-un** as a **Rocket Man** on a **suicide mission**, fuelling an escalating war of words with North Korean leader

■ Day 246 – **Obamacare**: Republican Senator **John McCain** (below) delivers blow to Trump, voting against **Graham-Cassidy bill** – third attempt by Republicans to repeal Affordable Care Act

■ Day 284: Mueller-led probe yields indictments against Trump's former campaign manager **Paul Manafort** (below), and his close associate **Rick Gates**, for money laundering, conspiracy and other alleged crimes

37%
Trump's approval rating is lower than any U.S. president in 70 years (as of November 6)
