

# Arms sales rise for first time in five years

Sales of weapons and military services increased in 2016 – the first year of growth since 2010 – according to global arms industry data from the Stockholm International Peace Research Institute (SIPRI)

## TOTAL ARMS SALES OF COMPANIES IN SIPRI TOP 100 (2002-16)

## SHARE OF ARMS SALES OF COMPANIES IN SIPRI TOP 100 (2016)

By country

United States  
**57.9%**

**China:** At least 9 or 10 companies would almost certainly be in SIPRI Top 100 if figures for arms sales were available
