

Taliban active in 70% of Afghanistan

The Taliban fully control four percent of Afghanistan and are openly present in another 66 percent, a BBC study has found. The estimate is significantly higher than assessments by the NATO-led coalition

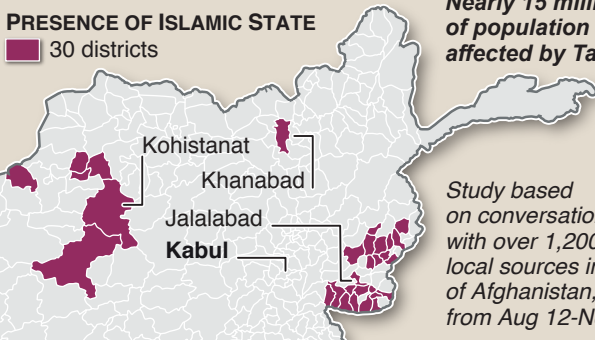

TALIBAN PRESENCE

- Taliban full control
- Taliban open presence
- Government control

PRESENCE OF ISLAMIC STATE

- 30 districts

Nearly 15 million people – half of population – live in areas affected by Taliban presence

Study based on conversations with over 1,200 individual local sources in all districts of Afghanistan, conducted from Aug 12-Nov 21, 2017
