

Fitness app reveals Middle East bases

Strava, the popular exercise tracking app that posts a map of its users' activity, has unwittingly revealed previously unknown locations of U.S.-led coalition military bases in Iraq, Syria and Jordan

● Previously known base ✈ Air Base ○ Newly revealed base

SYRIA

1 Possible Turkish base located in northern Aleppo province

2 Base built in 2017, near 900m runway 35km north of Raqqa city

JORDAN

3 **Al-Tanf:** Coalition appears to be continuing to support Syrian rebels at base where **UH-60 Black Hawk** helicopters were seen in Sep 2017

5 **King Hussein Air Base (Mafraq)**

6 **King Abdullah II Air Base**

4 **H4 Air Base (Al-Rukban):** Coalition presence revealed at base where new area for **MQ-9 Reaper** drones was built in 2014

7 8 9 Three bases in southern Jordan could be being used to train Syrian rebels, indicating expansion of programme which Washington said it had ended in July 2017

IRAQ

10 **Mosul Dam**

12 **Harir Airfield**

11 **No name given**

13 **Al-Ramadi Army Base**
