

# Missile attack on Syrian military bases

A missile attack against military sites in northern Syria has killed at least 26 pro-government fighters, mostly Iranians, a UK-based monitoring group said, amid soaring tensions between Israel and Iran

**47th Brigade:** Surface-to-surface missile depot

**Nairab military airport**

**AREAS OF CONTROL** (as of April 4-17, 2018)

- Pro-government (Russia, Iran, Syria)
- Rebel forces
- Kurds
- Turkey and allies
- So-called Islamic State

● Military sites targeted, April 29

☢ Alleged chemical weapons sites hit by U.S., UK and France on April 13

✈ T4 airbase – Israel blamed for April 9 attack which killed 14 military personnel, including seven Iranians
