

India launches airstrikes on Pakistan

India's aerial bombing of Pakistani territory – the first launched over the disputed ceasefire line in Kashmir since the 1971 war – represents a sharp escalation of tensions between the nuclear-armed neighbours

Mirage 2000-5

Israel-made **SPICE 2000** smart bomb

Feb 26, Balakot: India says 12 Mirage fighter jets armed with 1,000kg laser-guided bombs targeted training camp of **Jaish-e-Mohammad (JeM)** group, killing 300 militants. Pakistan says strikes hit empty area but has vowed to respond

Feb 14, Pulwama: Suicide attack claimed by JeM kills more than 40 Indian troops. Pakistan denies any role
