

Dubai World Cup winners

The Dubai World Cup, first won in 1996 by American horse *Cigar*, regains its status as the world's richest horse race this year, surpassing the \$9m Pegasus World Cup in Florida

Dubai World Cup day moved to new **Meydan Racecourse** in 2010, but controversial synthetic Tapeta surface was replaced with dirt track in 2015 after fall in number of U.S.-trained horses
