

What worries India's voters

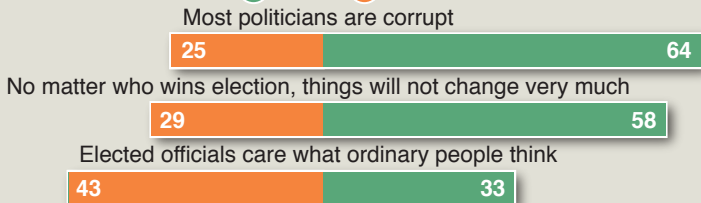

With as many as 900 million voters in the world's largest democracy, most Indian adults are unhappy with the nation's progress on issues including unemployment, inflation and terrorism

Percentage who see issue as very big problem

Statement describes India... ● Well ● Not well (don't knows excluded)

Survey of 2,521 adult respondents from May 23 to July 23, 2018. Margin of error: ±2.8%
