

# Tourists killed in Danube boat capsizes

Several South Korean tourists have died and many more are missing after a boat capsized on the Danube river in Hungary's capital, Budapest

Undated photo of vessel **Hableany** (meaning: mermaid) on Danube

**Hableany**: 27-metre double-decker river cruise boat with 150-horsepower engine

May 29, 22:00 local time: **Hableany** sinks after being hit by another vessel while moored. Thirty tourists, three tour guides and two Hungarian crew members on board

Wreckage of **Hableany** found on riverbed near Margaret Bridge as massive rescue effort continues on river swollen by heavy rainfall
