

# Gulf of Oman tanker “attack”

Two oil tankers were hit and their crews evacuated in suspected attacks in the Gulf of Oman, one month after a similar incident in which four tankers in the region were struck

-  Iranian Revolutionary Guard Corps naval bases
-  Maritime boundary
-  Deep-water shipping lane

**May 12, Fujairah:** Four oil tankers sabotaged in attack involving naval mines. UAE blamed unnamed “state actor”, while U.S. said Iran was behind attacks

**Jun 13:** Oil tankers *Kokuka* and *Front Altair* attacked. Ship operators say 44 crew members have been evacuated
