

# Scores dead in South Asia flooding

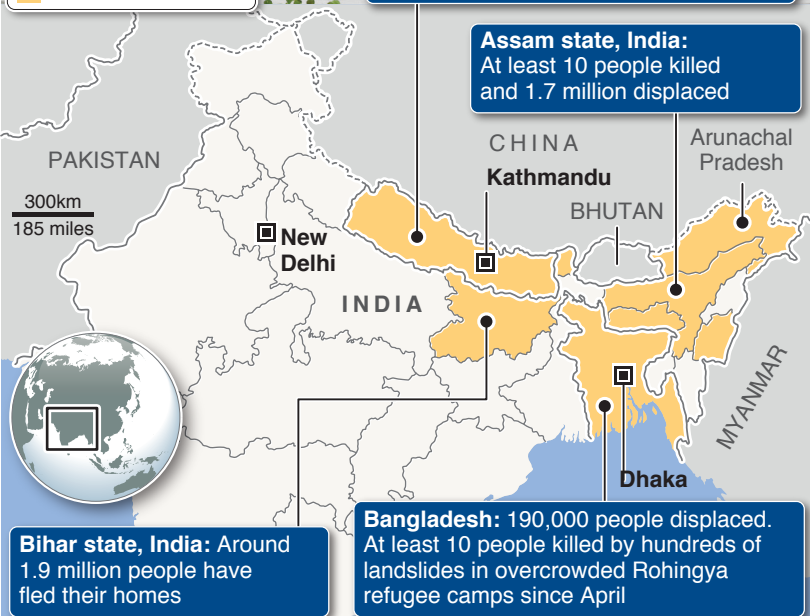

Dozens of people have died and millions more have been forced from their homes after heavy monsoon floods caused devastation in Nepal, Bangladesh and northern India

**Nepal:** At least 65 people killed and more than 30 missing with around a third of all districts hit by heavy rains

Worst affected

**Assam state, India:**  
At least 10 people killed and 1.7 million displaced

**Bihar state, India:** Around 1.9 million people have fled their homes

**Bangladesh:** 190,000 people displaced. At least 10 people killed by hundreds of landslides in overcrowded Rohingya refugee camps since April
