

Rising cost of Britain's Royal Family

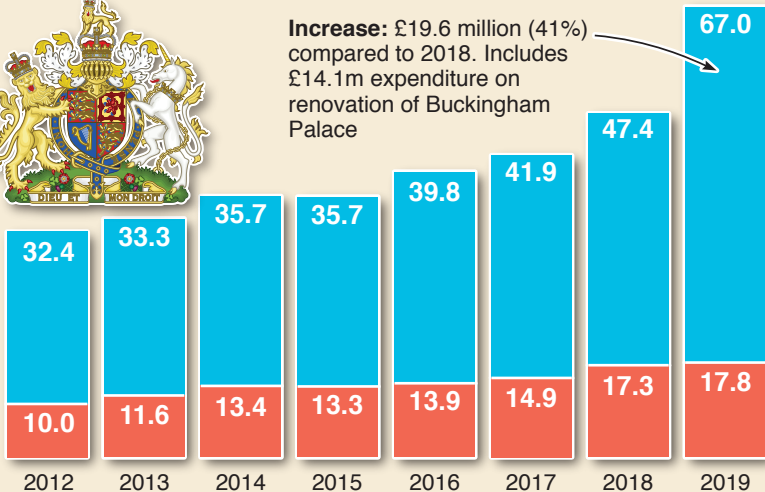

British taxpayers pay an annual Sovereign Grant to the Royal Household to support the monarch's official business. In exchange, The Queen surrenders the revenue from The Crown Estate to the government

● Official expenditure ● Income revenue* (£ millions per year†)

Increase: £19.6 million (41%) compared to 2018. Includes £14.1m expenditure on renovation of Buckingham Palace

*Property rental income, management charges, functions etc.

†Year to March 31
