

# Italy quarantines entire country

More than 60 million people are under lockdown after the Italian government placed the entire country under quarantine in an attempt to stop the spread of the coronavirus

ITALY As of Mar 9

**9,172** cases

**463** deaths

## KEY MEASURES – in place until April 3

■ People instructed to leave home for urgent health or work reasons only. Document giving reasons for travel must be completed

■ Public gatherings banned – cinemas, theatres, gyms, discos and pubs closed

■ Sporting events, including Serie A football matches, suspended

■ Schools and universities closed

■ Restaurants and bars allowed to open from 6:00am to 6:00pm but customers must remain at least one metre apart

■ Shops can remain open but must also guarantee customers stay one metre apart

■ Church services, including funerals and weddings, suspended.

**Pope Francis** to deliver prayers via live-streaming from inside Vatican

■ **Health workers' leave cancelled.** People accompanying patients to A&E units not allowed to stay in waiting rooms without permission
