

Sega to launch tiny retro games console

Japanese gaming giant Sega is celebrating its 60th anniversary by reviving the 30-year-old *Game Gear* console – but in microscale

GAME GEAR

■ Original Game Gear:
21cm wide

■ Price: \$149.99

GAME GEAR micro

■ Game Gear Micro:
8cm wide

GO
SEGA
60th ANNIVERSARY

■ Release: **Oct 6, 1990**

■ Sega's answer to Nintendo's hugely popular *Game Boy* handheld console

■ Technologically superior to Game Boy, but large colour screen required **six AA batteries** that lasted only **3-5 hours**. Game Boy needed **four AA batteries** that could last more than **30 hours**

■ **10.6m** units sold, with more than **300** games available

■ Release: **Oct 6, 2020**

■ Availability: **Japan**

■ Individual price: **\$50**

■ Four-pack: **\$200**
(includes magnifier accessory, right)

Four to choose from

Each preloaded with four games, highlights including:

- **Sonic the Hedgehog**
- **Gunstar Heroes**
- **Shining Force Gaiden**
- **Columns**
