

Acts of clemency by U.S. presidents

The U.S. president's clemency power includes the authority to commute, or reduce, any federal sentence as well as to grant pardons

PRESIDENTIAL PARDONS ■ Republican ■ Democrat

COMMUTATIONS (reduces sentence but does not erase conviction)

Obama granted more commutations than any U.S. president

Other recent presidents (Nixon-George W. Bush)

*Trump's latest clemency order commuted 40-month prison term of longtime political ally **Roger Stone** – convicted of lying to lawmakers investigating Russian influence in 2016 presidential election*
