

France imposes six-week Covid curfew

President Emmanuel Macron has placed Paris and eight other large cities under a nightly curfew to try and stem a second wave of Covid-19

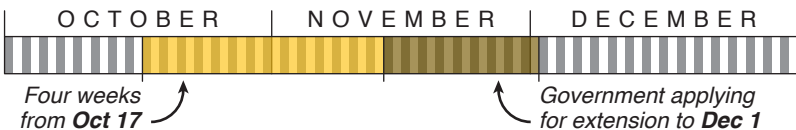

CITIES UNDER CURFEW,
9pm-6am

DAILY CHANGE IN NEW FRENCH COVID-19 CASES
(1,000s)

CURFEW DURATION

FRANCE'S PEACETIME CURFEWS

1961: Curfew on "French Muslims" in Paris during **Algerian War**. Police massacre large number of protestors

1985: Curfew ordered in **New Caledonia** in Pacific Ocean, during violent independence protests

2005: Curfews enforced in more than 30 French towns and cities after two weeks of night-time rioting

2018: Overnight curfew across **Reunion** island in Indian Ocean in response to violent **Yellow Vest** protests
