

# European Union military powers

The EU's first annual report on joint defence capabilities is expected to serve as the basis for a French-led, post-Brexit, post-Trump effort to turn the EU into a stand-alone military power

 <b>Defence budget</b>	 <b>Nuclear armed</b>	 <b>Active personnel / reserves</b>	 <b>Air Force: Fighters / helicopters</b>
 <b>Army: Tanks / armoured vehicles / artillery</b>	 <b>Navy: Aircraft carriers / destroyers / frigates / submarines</b>
