

Eden project looks to expand

As the Eden Project celebrates its 20th anniversary, it has set its sights on a global expansion reaching every continent bar Antarctica

Christmas illuminations at original site in Cornwall, UK

GLOBAL AMBITIONS (due dates where known)

UK

St Austell (Original Eden Project, opened 2001)

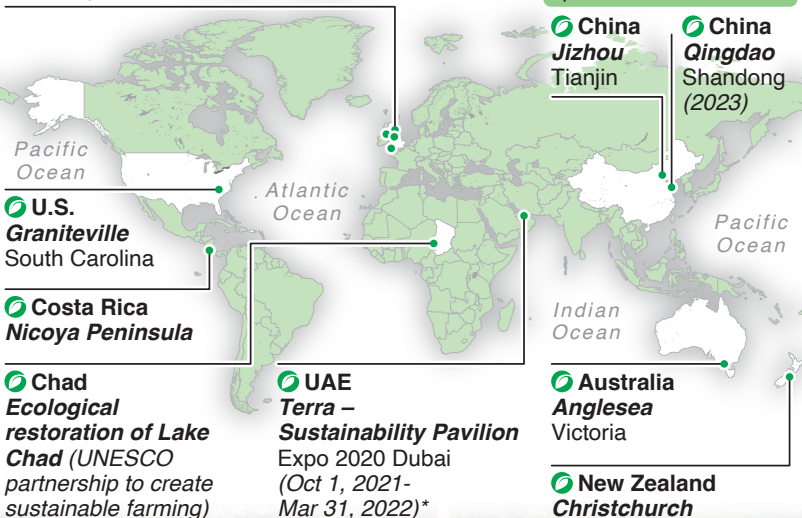

Derry-Londonderry, Northern Ireland (2023)

Morecambe (2024)

Dundee, Scotland

Eden Projects:

Recreate natural rainforest environments in giant hemispherical biomes that house thousands of plant species

*Postponed from 2020 due to Covid-19
