

# Covid vaccines create 9 new billionaires

Profits from Covid-19 jabs have helped at least nine people become billionaires, a campaign group says, calling for an end to pharmaceutical corporations' "monopoly control" on vaccine technology

1. Stéphane Bancel, CEO of <i>Moderna</i>	\$4.3bn
2. Ugur Sahin, CEO and co-founder of <i>BioNTech</i>	\$4.0bn
3. Timothy Springer	Founding investor of Moderna \$2.2bn
4. Noubar Afeyan	Moderna's Chairman \$1.9bn
5. Juan Lopez-Belmonte	Chairman of ROVI* \$1.8bn
6. Robert Langer	Founding investor in Moderna \$1.6bn
7. Zhu Tao	Chief scientific officer at <i>CanSino Biologics</i> \$1.3bn
8. Qiu Dongxu	Senior vice president at CanSino Biologics \$1.2bn
9. Mao Huihua	Senior vice president at CanSino Biologics \$1.0bn
