

Germany's chancellors-in-waiting

Opinion polls suggest that with three potential chancellors standing to replace Angela Merkel, Germany's September election could result in a fragmented parliament

CDU/CSU

CDU: Armin Laschet – represents status quo, but many Germans want change

SPD

SPD: Olaf Scholz – moderate career politician with solid approval ratings

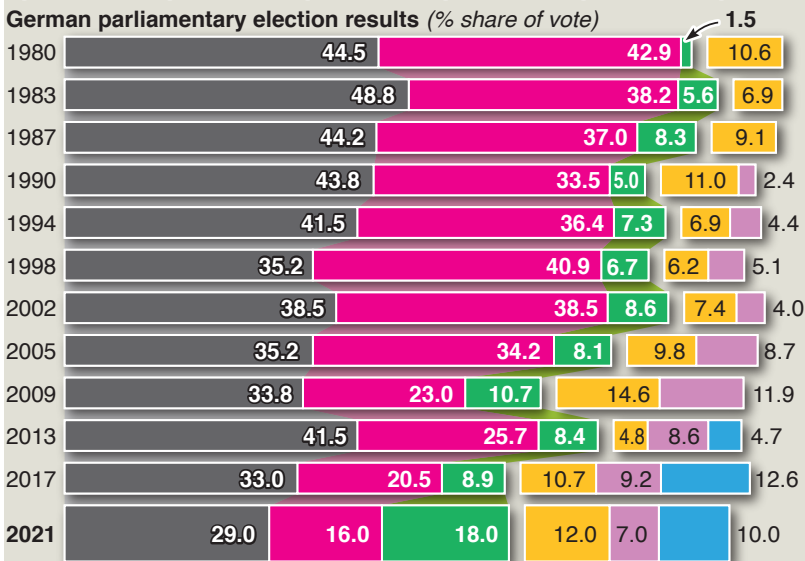

**BÜNDNIS 90
DIE GRÜNEN**

Greens: Annalena Baerbock – Greens' first ever candidate for chancellor
