

Russia's grip on Europe's gas

Russian President Vladimir Putin promised Europe more gas from state-controlled giant Gazprom, but gas supplies via the Russian Yamal-Europe pipeline are just one-tenth of normal

Gas flows via Yamal pipeline to Mallnow, Germany (Gigawatt-hours/day)

Jan-Jul: Average gas flow of 905.83GWh/d

Oct 31-Nov 9:

Flow falls by 89.3% to av. 96.86GWh/d
