

Facebook voted worst company of 2021

Meta Platforms, the new label for Facebook's parent company, was named the worst company of 2021, according to a recent poll

**Thumbs
down:**
Meta CEO
Mark
Zuckerberg

Meta facebook

Plagued by scandals, Meta finds itself in no-win situation, with people on political right feeling platform censors their voices, while those on left believe it contributes to misinformation and hatred of society

DISHONOURABLE MENTIONS

Investor dissatisfaction in Chinese online shopping platform

Stock price collapse of world's largest telecommunications company

Voted worst company in 2020 amid claims vehicle concepts are fake

People angry that company rolls out products before they are ready

Survey conducted on Yahoo! Finance website from Dec. 4-5 (1,541 respondents)
