

FIM MotoGP World Championship 2022

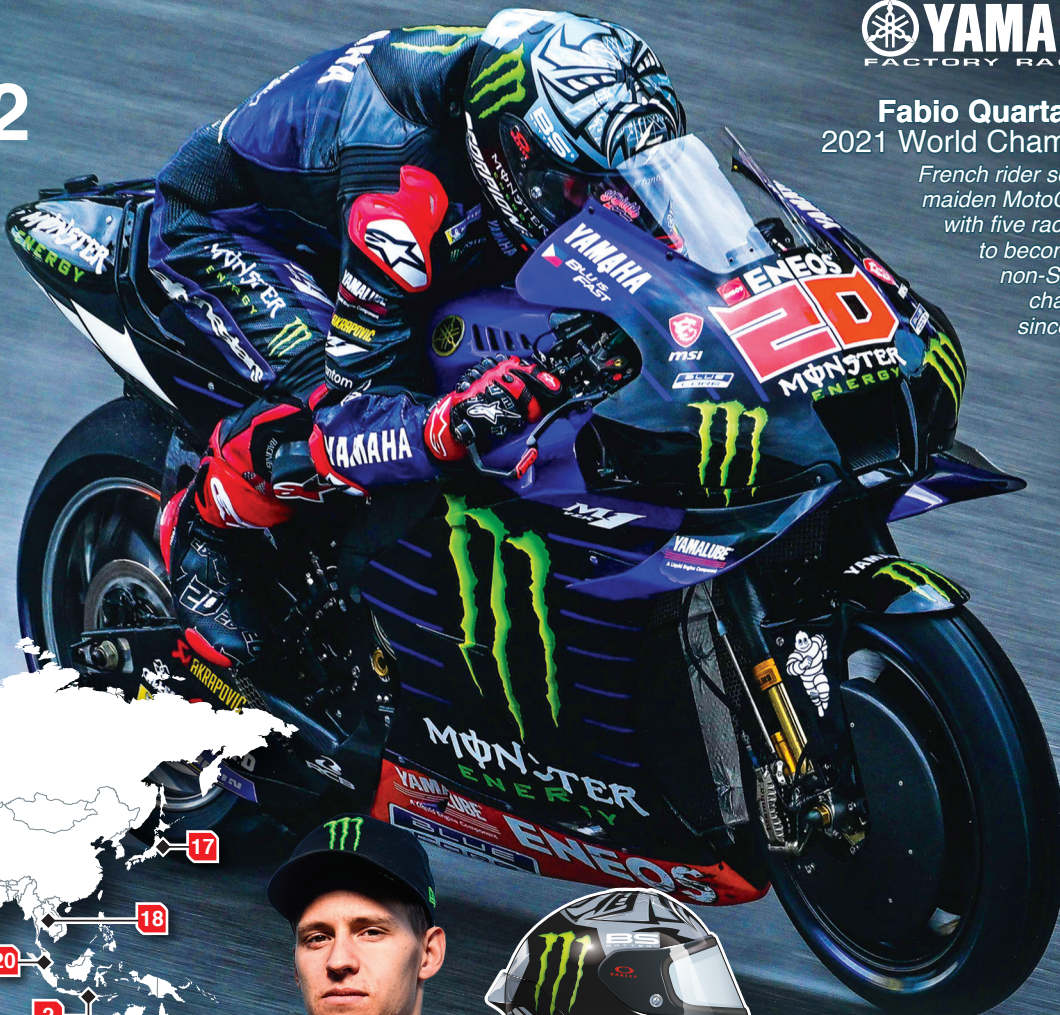

MARCH 6 – NOVEMBER 6

The *Federation Internationale de Motocyclisme* founded the Road Racing World Championship in 1949, staging just six Grands Prix in Europe. Now a global brand with multiple races each year, MotoGP is firmly established as the premier class of motorcycle racing

Fabio Quartararo
2021 World Champion

French rider secured maiden MotoGP title with five race wins to become first non-Spanish champion since 2011

Race calendar

European races

World races

Indonesia and Finland added to calendar after lengthy absences, while races in Argentina, Japan, Thailand, Australia and Malaysia return after two-year hiatus
