

Ukraine invasion – day 64

1 Donbas: Concentrated Russian artillery fire enabling small tactical gains, but Russian forces struggle to break through prepared Ukrainian defences

2 Izyum: Russian forces take several small towns directly west of city in attempt to outflank Ukrainian positions

3 Mariupol: Heavy Russian bombardment and assaults fail to make headway against Ukrainian defenders in Azovstal plant

4 Kherson: Russian forces likely preparing for renewed push to capture entire region and announce creation of Russian proxy “Kherson People’s Republic”

5 Transnistria: Kremlin may be planning possible “false-flag” missile attack against Russian-occupied territory in Moldova

6 Poland, Bulgaria: Russian energy giant Gazprom says it has cut gas exports to both countries over their refusal to pay for supplies in roubles
