

Ukraine invasion – day 69

1 Kyiv: UK Prime Minister **Boris Johnson** will announce extra \$376m military support in first virtual address to Ukraine parliament by any Western leader since start of Russian invasion

2 Odesa: Russian forces launch third rocket strike on strategically important bridge across Dniester estuary

3 Orihiv: Russia deploying extra artillery to seize town at intersection of major roads to **Zaporizhzhia** and **Donetsk**

4 Mariupol: Russians launch new attacks on Azovstal steel plant after evacuation of 100 civilians. UN and Red Cross still hope to oversee more evacuations

5 Donbas: Russia planning to annex **Donetsk** and **Luhansk** regions after holding “sham” elections in mid-May, according to senior U.S. diplomat

6 Black Sea: UN warns 4.5m tonnes of grain are stuck in containers at Ukrainian ports being blocked by Russian military action
