

# Ukraine invasion – day 71

**1 West:** Russia intensifies airstrikes against transport infrastructure in **Lviv** and **Zakarpattia** region to disrupt Western aid shipments

**2 Kyiv:** U.S. is providing real-time battlefield intelligence, helping Ukrainian forces to target Russian generals, according to senior U.S. officials

**3 Donbas:** Ukrainian defences largely stalling Russian advances, preventing merging of offensives southeast of **Izyum** and west of **Donetsk-Luhansk** frontline

**4 Mariupol:** Russian forces storm **Azovstal** steelworks for first time. Three-day ceasefire called to evacuate estimated 200 civilians
