

Ukraine invasion – day 98

1 Belarus: Moving Belarusian tanks and infantry vehicles to Russia to replenish combat losses

2 Kharkiv: Ukraine's giant seed bank, containing genetic code for 2,000 crops, in danger of being destroyed by intense bombing

3 Donbas: Russian forces control around 70% of **Severodonetsk** – Ukrainian troops reportedly withdrawing from city centre

4 Kherson Oblast: Ukrainian counteroffensive putting pressure on limited Russian forces

5 Mariupol: Mass burials continue. Video suggests 45,000 residents already buried in mass graves

6 Russia: Russian defence ministry says nuclear forces are holding drills north of Moscow, after U.S. announces it will provide Kyiv with advanced rocket systems
