

Ukraine invasion – day 100

1 Kyiv: Moscow now controls 20% of Ukraine, president Zelensky says. Before war, Russia and Russia-backed separatists accounted for less than 10%

2 Chernobyl: Washington Post reports nine employees killed and \$135m of equipment stolen before Russian troops left plant on Mar 31

3 Kherson Oblast: Ukrainians claim to have liberated 20 villages

4 Zaporizhzhia Oblast: Local pro-Russian officials say occupying forces plan to nationalise state property and resources

5 Donbas: Fighting continues in **Severodonetsk**. Some 800 people hiding beneath **Azot** chemical factory, local governor says

About 60% of infrastructure and residential buildings in **Lysychansk**, destroyed
