

# Ukraine invasion – day 111

**1 Kharkiv:** Russia's military makes small advances northeast of city for first time in several weeks

**2 Russia:** Defence spending predicted to rise by \$10.5-\$12bn – or 20% – to maintain war effort, but budget could be constrained by international sanctions, UK intelligence reports

**3 Donbas:** All three bridges to embattled city of **Severodonetsk** destroyed, making evacuation of civilians and troops impossible

City of **Lysychansk** pounded by Russian artillery as civilians try to flee

**4 Kherson Oblast:** Russian and Ukrainian forces engaged in heavy fighting for town of **Davydiv Brid**
