

Ukraine invasion – day 112

1 West: U.S. to build temporary grain silos along border, including in Poland, to help export supplies

2 Kharkiv: Russian forces continue offensive to drive Ukrainians back from northeast frontline

3 Kherson: Ukrainians reportedly advance to within 18km of city

4 Donbas: West sceptical of claims by Russia that it will provide safe corridor for civilians in **Severodonetsk** to relocate to areas under Russian control

Deadline set for those sheltering below city's **Azot** chemical plant to surrender by early Jun 15
