

Ukraine invasion – day 120

1 Lysychansk: Russian forces advance 5km towards city, increasing pressure on **Lysychansk-Severodonetsk** pocket

Reinforced Russian air-defence systems are increasingly limiting effectiveness of Ukrainian drones, used to great effect earlier in war

2 Kherson Oblast: Ukrainian forces reportedly within 15km of city after recapturing territory

3 Zaporizhzhia Oblast: Residents and workers at nuclear power plant in **Enerhodar** reportedly being abducted by Russian occupiers

4 Odesa: Launch of anti-ship missiles indicate Russians have likely exhausted supply of purpose-built land-attack systems

5 Novoshakhtinsk: Ukrainian forces conduct drone strike on Russian oil refinery
