

Ukraine invasion – day 134

1 Russia: “Operational pause” to the war after capture of Lysychansk, and with Foreign Minister Sergei Lavrov attending G20 meeting in Bali. No claimed Russian gains as forces prepare for Donetsk Oblast offensive

2 EU: Almost nine million people have fled Ukraine since start of war

3 Slovyansk: Russian attacks from north and east in preparation for ground advance

4 Bakhmut: Russia preparing for direct assault with artillery and air strikes on city

5 Kherson: Ukrainian forces hit Russian positions near airport and railway station, as part of plan to recapture city

6 Black Sea: Increased Russian naval presence includes five missile carriers, two submarines and one amphibious assault ship
