

Airbus-Boeing airshow orders

The Farnborough International Airshow will focus on the battle between Airbus and Boeing for orders as the aviation industry combats rising inflation and supply chain challenges

Boeing 777-9: Up to 414 seats, range of 13,940km

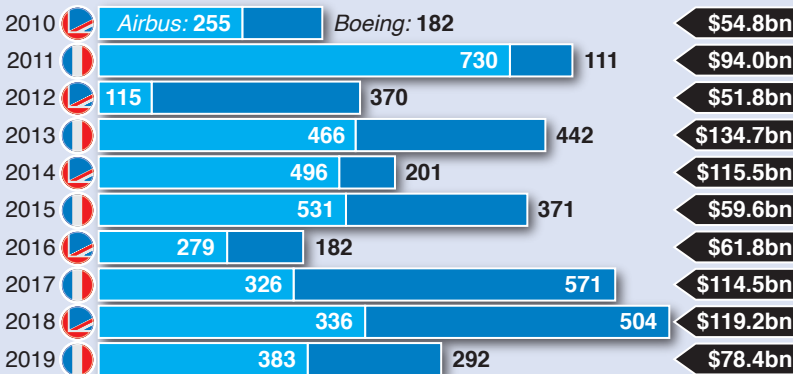

Airbus A350-900:

Up to 440 seats, range of 15,372km

Both aircraft use sustainable aviation fuel (SAF)

Orders and commitments*  Farnborough  Paris Combined value†

*2020 and 2021 airshows cancelled due to pandemic

†Airlines pay far less than list price – typically 46-63% discounts
