

Ukraine's importance to grain exports

Long known as *Europe's breadbasket*, Ukraine has vast farmlands that are cheaper to cultivate than elsewhere on the continent – and deep seaports with easy access to international markets

UKRAINE GRAIN GROWING SEASONS

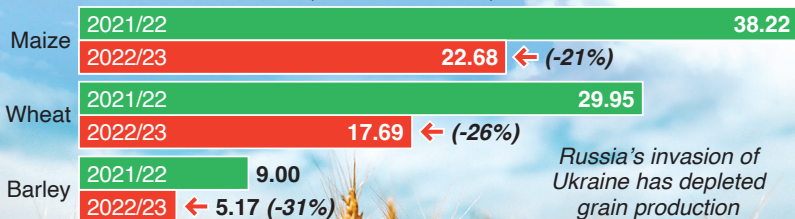

Did you know?

In modern times, flag of Ukraine is said to represent grain fields under blue sky

Russia invades Ukraine

MAIN GRAIN PRODUCTION (millions of tonnes)

Russia's invasion of Ukraine has depleted grain production
