

WORLD AGENDA

AUGUST 2022

1 Aug 22-Sep 1, Korea: The U.S. and South Korea resume large-scale military exercises in the wake of growing threats from North Korea. The drills were suspended for four years in a bid to negotiate Pyongyang away from its nuclear weapons

2 Aug 7, Colombia: Former guerrilla fighter **Gustavo Petro** is sworn in as president, making him the country's first leftist head of state

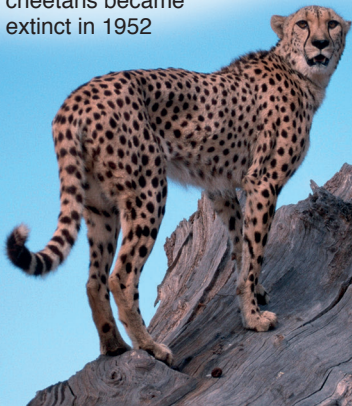

3 Aug 9, Kenya: Deputy President **William Ruto** (left) is making his first bid for the top office. He faces veteran opposition leader **Raila Odinga** (right), who at age 77 is staging his fourth presidential run

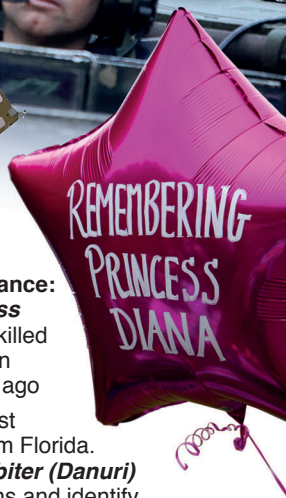

4 Aug 14-15, Pakistan, India: 75 years ago Pakistan came into existence and India gained independence from British rule

5 August, India: Eight cheetahs arrive from Namibia as part of independence anniversary celebrations. India's indigenous cheetahs became extinct in 1952

6 Aug 31, France: **Diana, Princess of Wales** was killed in a car crash in Paris 25 years ago

7 Aug 2, U.S.: South Korea's first mission to the moon blasts off from Florida. The **Korea Pathfinder Lunar Orbiter (Danuri)** will conduct scientific investigations and identify potential landing sites for future missions

8 Aug 5-28, Scotland: An explosion of creative energy from around the globe lights up the **Edinburgh International Festival** and its famous offshoot, the **Fringe**, back at full strength for the first time since 2019
