

Ukraine invasion – day 161

1 Lviv Oblast: Russian missile strike reportedly damages Ukrainian air defence system near **Radekhov**

2 South: Ukrainian strike against Russian ammunition train damages rail link connecting Russian-occupied **Kherson** with **Crimea**

Russia expanding air defence in Crimea and regrouping forces in Zaporizhzhia and Kherson Oblasts to defend from counteroffensives

3 Kharkiv: Fighting continues northeast of city, with Russian assaults thwarted by Ukrainian forces

4 Russia: First batch of Iranian drones reportedly delivered, as Tehran and Moscow strengthen military defence ties

Moscow accuses U.S. of being “directly involved” in war by supplying targeting information for Ukraine’s long-range missile strikes
